To the Parking Garage

Below is a map of downtown State College, and here is [the link](#). We recommend that people park at the parking garage at

**126 S Pugh Street
State College, PA**

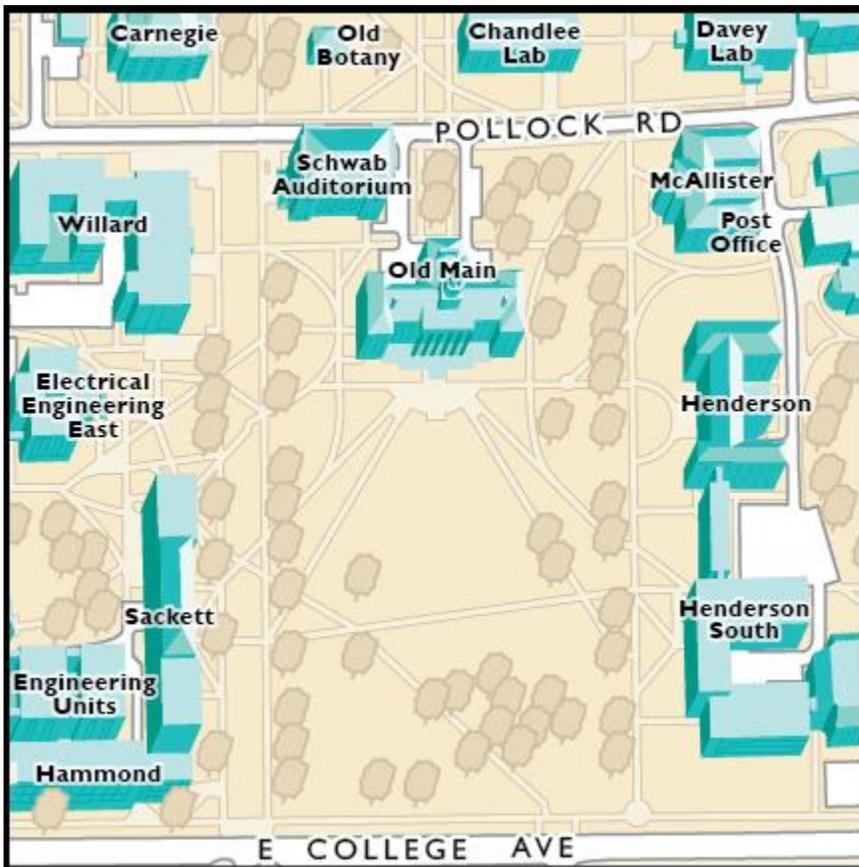

This parking garage is on Pugh Street, between College Avenue and Beaver Avenue. Parking rates posted on the web appear reasonable: \$1 an hour.

From the Parking garage to the Conference at 110 Henderson, The Bennett Pierce Living Center

As you walk out of the parking deck, you will turn left on Pugh Street and walk toward campus. After crossing College Avenue at Pugh Street, you'll see a stone "gate" slightly to your right. Walk into campus through that gate. You should continue walking slightly uphill on that sidewalk. The first building on your right will be Biobehavioral Health. The second will be Henderson Building. The Living Center is just inside the main entrance to Henderson Building (it is visually clear).
